Hastings, MN 55033

HASTINGS PUBLIC SCHOOLS
— FOUNDATION —

If you've been wondering what the Ford Focus is really like or have always wanted to hit the road in a Mustang, now is your chance. In cooperation with the Ford Motor Company, Hastings Automotive is pleased to host a "Cruise 4 UR School" event to benefit the Hastings Public Schools Foundation.

Check out an Escape Hybrid or enjoy a ride in one of the new crossovers. For every family who test-drives a Ford vehicle over the two-day event, Ford Motor Company will donate \$20 for the Foundation up to \$6,000! We're counting on you to take a Ford for a spin to reach the maximum donation!

HOSTS: Doug Erickson, HPSF board member and donor, his team at Hastings Ford and Hastings Chrysler, and the Ford "Cruise 4 UR School" crew will get you on the road and register you for prizes.

PRIZES: Enter to win a 4GB Microsoft Zune with video/photo capabilities (one given per 100 test drives) or a Magellan GPS with 3.5-inch color touch-screen interface (one per event) from Ford.

BENEFITS: All money raised benefits the Hastings Public Schools Foundation, which provides grants to educators twice a year to augment educational opportunities in District 200, enhance the learning experience and help shape education by exploring new ideas. Grants awarded to-date are in excess of \$196,000.

TAKE A RIDE. SHOW YOUR PRIDE IN
HASTINGS PUBLIC SCHOOLS!
